

## Resolution of admission for PhD students in the Euromarine Summer School “Emerging topics in coastal marine ecosystems “eTOPs”

By this resolution it is notified that, in view of the applications received and following the assessment criteria set out in the call, where an equitable distribution of students among Euromarine members is prioritized, the list of those admitted to the Summer School is set out below: 20 from Euromarine (some also belonging to SEA EU), and 5 from other non-Euromarine organisations.

The PhD students not accepted have been notified of the condition on the waiting list of 6 PhD students, and they will be notified if any withdrawal from the course occurs.

Euromarine and SEA EU members admitted (20), arranged alphabetically by institution.
